

A. The following clause is hereby added to the solicitation:

52.204-2 -- Security Requirements.

(a) This clause applies to the extent that this contract involves access to information classified "Confidential", "Secret", or "Top Secret."

(b) The Contractor shall comply with --

(1) The Security Agreement (DD Form 441), including the National Industrial Security Program Operating Manual (DoD 5220.22-M); and

(2) Any revisions to that manual, notice of which has been furnished to the Contractor.

(c) If, subsequent to the date of this contract, the security classification or security requirements under this contract are changed by the Government and if the changes cause an increase or decrease in security costs or otherwise affect any other term or condition of this contract, the contract shall be subject to an equitable adjustment as if the changes were directed under the Changes clause of this contract.

(d) The Contractor agrees to insert terms that conform substantially to the language of this clause, including this paragraph (d) but excluding any reference to the Changes clause of this contract, in all subcontracts under this contract that involve access to classified information.

B. Additional Security Applicable Documents are hereby added to the solicitation:

- Security Classification Guide (SCG) for SPS and Associated SPE, dated 23 September 2014
- DD Form 254, Security Classification Specification & Appendages (Attached)

NOTE: Contact Gary J. Pesano, Security Manager, Program Executive Office, Soldier for a copy of the SCG. (gary.j.pesano.civ@mail.mil) or (703) 704-1938

Security Requirements. The contract requires certain Contractor personnel to obtain and maintain classified access eligibility. The Contractor shall have a valid Secret Facility Clearance and a Secret Document Safeguarding Level prior to receiving classified information for performance at the Contractor's facility. The prime Contractor and all subcontractors (through the prime Contractor's oversight) shall adhere to all aspects of DOD Directive 5220.22-M. All personnel performing on this contract shall comply with Department of Defense and Personnel Security Policies to include subjecting themselves to background investigations (as required) and not accessing classified information until the investigations are complete. This contract includes DoD Contract Security Classification Specification (DD Form 254) as an attachment.

C. Obtaining the security clearance identified on DD Form 254 shall be part of the Contracting Officer's Determination of Responsibility in accordance with the provisions of FAR 9.105-2. Therefore, an offeror is required to have the identified security clearance to be eligible for an award under subject solicitation.

D. Offerors are to complete the following sections of DD Form 254 and submit at time of negotiations closing: 6a, 6b, 7a, 7b, 8a, 8b.

E. The hour and date specified for receipt of offers is extended to 03:00 p.m. (15:00) EST, May 10, 2019.
